

Capture the Vision!

Building for the Next Generation

July 22, 2009

Dear WCCS Families, Bethany Church Families, WCCS Alumni, and friends of WCCS:

Just over two years ago, we kicked off our "Capture the Vision! Building for the Next Generation" campaign for new Jr. High buildings. Now, it's time to finish the job!

1. We are grateful for all that has been given!

God has provided, and you have been generous. Over **\$243,680** has been raised...in just over two years! That's well over our original goal! **Thank you** for your faithful prayers and generous giving.

Of course, raising this much in such a short time (and in an uncertain economy) is something **only God** could have done! **Praise Him!**

Also, **many** of you have given hours of volunteer service. **Thank you!**

2. We can see the finish line...but we need your help!

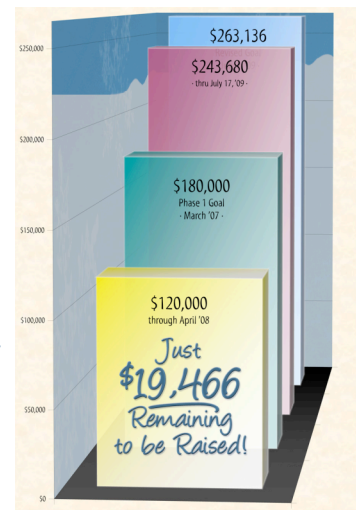

Please help us start the school year in the new buildings in September. We have just \$19,466 remaining to be raised! The completion of this amazing Vision is within our grasp! So, once more, we need your prayers, and your financial support . . . and a miracle from God.

Thank you in advance for helping us to **"Complete This Vision"**!

Partnering **with** you,

Chris Petersen

P.S. Please join us in praying in the final \$19,466 to Complete the Vision...and give if you are able!
