

Here's a place to call *home* at Bethany!

Ever feel lost in the crowd? Then Bethany's *newest* ministry for married couples and parents, FAMILY FOCUS, may be just the place for you!

We're just starting up . . . so there's a spot waiting for you!

We'll be meeting in Anderson Hall at 9 on Sunday mornings to develop friendships, to grow as parents & as couples, & find a place "*to know & be known*" here in the Bethany family.

You'll also enjoy our monthly socials for food, fun & fellowship.

Family FOCUS

Here's who we are: FAMILY FOCUS is a community of believers committed to spiritual growth, mutual encouragement & the strengthening of marriages & family life — both for this generation & the generation to come.

Our goals . . .

- *Strengthen & encourage godly marriages*
- *Build & strengthen friendships*
- *Support in the storms of life*
- *Establish a new community for the next generation.*

Come help us get this exciting new community off the ground!
