Who We Are...

Lightseekers Camp was established in 1985. We are made up of churches who desire to minister with kids through Christian camping. Our churches who participate in Lightseekers Camp have a common philosophy of seeking to reach kids for Jesus Christ in an environment which promotes God's love, purpose and hope to kids. We design our own camp experience from counseling our own kids to developing our own curriculum using the facilities of Oak Glen Christian Conference Center.

Our Mission

Lightseekers Summer Camp is a Christ-centered program of small-group living in a simple controlled outdoor environment where kids are enabled to develop recreational, educational, and social skills, seeking to know Jesus Christ as Savior and Lord, following Him as a Friend.
